

**Kentucky Internet2 Group Meeting**  
**May 19, 2008, 1:00 – 4:00 PM**  
**CPE Conference Room A, Frankfort, KY**

**PRESENT:** Ann Riggs (Education), Phil Duvall (KCTCS), Sheri Rose (AT&T), Miko Pattie (CPE), Mike Clark, Paul Stackhouse (KET), Charlene Davis (KDLA), Misty Hanks (Morhead), Tim Sizemore, Jason Collins (KDE, ITV), Bo Lowrey, Cathy Watson-Pittman (JCPS), Erskine Clinton, Doyle Friskney (UK, ITV), Andrew Wright (UofL, ITV), John Bowers (WKU), Jeanne Biddle (Scott), Jeff Jones, Diana Hendrix (Fayette), Kenneth Burdine, Vince Marletta (Windstream)

**1. KEN Update – Ann Riggs**

Ann reported that there was an official celebration at the KySTE conference June 13 on the completion of KEN Phase 1 and the Individual Device Unit (IDU) project. This means that the K12 community is now equipped to use I2 applications.

**2. KyRON – Doyle Friskney**

- 2.1. The 10 gb Lambda wavelength between Lexington and Louisville is up July 1, 2008.
- 2.2. Dynamic Circuit Network (DCN) is planned for Jan. 1, 2009.
- 2.3. The SEGP sponsorship will be switched over to KyRON from UK July 1, 2008.

**3. Internet2 Applications Coordinator & Orientation – Miko Pattie**

Dr. Susan Lancaster has been selected and will be on board July 1. The Applications Group discussed the following areas for her orientation:

- K12 community – 8 cooperatives, big districts (Jefferson, Fayette, Kenton, Scott, Frankfort...)
- Postsecondary community – Campus visits
- Kentucky Content - Southern Skies, BIG BLUE, KySAT

**4. 2010 Games – Miko Pattie**

Miko reported that the programming has broadened to include non-I2 applications. We will attempt to use I2 as one of the delivery modes wherever it's appropriate. A proposal will be submitted to the WEG Education Committee June 25.

**5. 2008 Conferences**

- 5.1. May 21-22 = KY Conference in Scholarship of Teaching and Learning (Postsecondary), Marriot Griffin Gate, Lexington. Windstream provided 26 mb connectivity. Agenda includes -
  - Reports on what has been achieved
  - Southern Skies and BIG BLUE
  - Introductions of the I2 Applications Coordinator and MAGPI
  - Live I2 event – Schoenberg Shakespeare Collection and National Endowment for the Humanities
- 5.2. June 11-12 = KY Society for Technology in Education Summer Conference, Crossroads Elementary, Cold Spring  
Jeanne reported that Greg Palmer will be a luncheon keynote speakers and will do 2 sessions for this conference. Cincinnati Bell and AT&T are working on having good connectivity. Digital citizenship and STEM are 2 focus areas.
